Proposal Erection of dwelling

After Discussion Clrs agreed that overall they had no objections to the development.

However they asked that the following comments be taken into consideration

- 1 Access should be clarified and widened to improve visibility to oncoming cars.
- 2 Adequate parking for visitors should be made on the property and parking on the road should not be permitted given the narrowness of the road.
- 3 The Finish of the house should reflect those others in the vicinity ie of a harled and painted nature
